Claim now rewards from your staking

$Puffer Finance Claims are live!

We hope this email finds you well and thriving in the world of decentralized finance! We are happy to announce we are airdropping

Puffer Finance our new native goverance token to all eligible Users!

Puffer finance

Stake any amount of ETH to receive pufETH, Puffer's native Liquid Restaking Token (nLRT).
Earn rewards securely, thanks to Puffer's anti-slashing technology backed by an Ethereum Foundation grant.
Boost your Ethereum PoS and restaking rewards by taking your pufETH to DeFi.

Don't miss this opportunity
